REPORT ON YERWADA JAIL VISIT

08th FEB 2020

ORGANISED BY

THAKUR RAMNARAYAN COLLEGE OF LAW

BACKGROUND

Reason/Objective- To provide students opportunity to visit a correctional facility to dispel any myths that have been created or fostered by the media.

Expected Outcome - Visit adds that real world experience to what we talk about in the classroom.

Expected to increase- Students are expected to increase their awareness with respect to jail prisoners and their rights.

BRIEF INTRODUCTION

On 08th Feb 2020 our day started at 6:30 am. By this time, we were expected to board the bus that was to take us to the Yerwada Central Jail, Pune. With one stoppage on the Mumbai-Pune Highway, we proceeded on our way to the jail. We reached there by 11am. Our visiting time was fixed from 11:00 am to 02:00 pm. It included the lunch break. Our bus stopped in the parking area of the Central Jail where we were given instructions to leave our gadgets and bags in the bus and only take our ID proofs with us inside the jail. We first went to the main Yerwada Jail where male prisoners are kept. The jail is fortified by high walls on each side. The outer walls being grey in colour give it a grim look. As we enter the huge gates, we form two lines. The main entry gates have the colours of blue and yellow stripes.

As we enter the main set of huge gates, we are met with a set of male and female jailers. One set check each and every person in the line and the other set of jailers take charge of our

group. Then we have to enter another set of gates before we get to see the inside of the jail. Though the outside of the jail with its tall wall and huge gates makes for one grim picture but the insides of the jail are another story. The Walls on the inside have been decorated with graffiti that contains inspirational quotes and drawings done by the prisoners themselves. We were first guided to the place where the famous Poona Pact was signed between Ambedkar and Gandhiji in 1932. That area has been conserved and turned into a museum with paper cuttings of that era with the headlines about the Poona Pact. It also showcases Gandhiji's charkha. Then we were escorted to the kitchen area where the prisoners were preparing that day's lunch for themselves. The food was quite edible. We took a round of the kitchen where we saw a couple of big machines for preparing flour dough in good quantity. Then we saw the convicted prisoners standing in a line, either dicing vegetables or making rotis.

15 Days Door to Door Campaign (Legal Aid Program) & National Youth Day Celebration

On 11th November, 2019 inauguration of 15 days door to door campaign was held at seminar hall. students of Thakur Ramnarayan College of Law pulled up their sock and set out for surveying the residents of not so privileged regions of the city under the guidance and with the assistance of the Para Legal Training program in association with Global Care Foundation under District Legal Services Authority.

The survey included the basic details of the people and some not so intricate details in relevance to their society such as the documents possessed by the members of the house, if any person of the family is involved in a legal matter and other such questions. The students also interacted with the families making them comfortable to share some private problems, too.

It was quite an amazing opportunity to the students as they received a good exposure to the practical world and got to learn how to interact with the people of the society.

There were around 80 plus students who volunteered for the same.

Around more than 7000 forms of survey were successfully filled.

The certificates of appreciation were handed over to all the students on the National Youth Day celebrated on 13th January 2020 by some prestige guest of honors.

So, in all, it was an experience enriching program!
