The students also interacted with the families making them comfortable to share some private problems, too. It was quite an amazing opportunity to the students as they received a good exposure to the practical world and got to learn how to interact with the people of the society. There were around 80 plus students who volunteered for the same. Around more than 7000 forms of survey were successfully filled. The certificates of appreciation were handed over to all the students on the National Youth Day celebrated on 13th January 2020 by some prestige guest of honors.

So, in all, it was an experience enriching program!

On 11 November 2019, TRCL organised the "National Youth Day Celebration" and inaugurated a 15 day door-to-door campaign in its seminar hall. Our students geared up to serve members of the not so privileged strata of society under the guidance of the Para Legal Training Programme in association with Global Care Foundation under District Services Authority. 80 students volunteered for the same and around 7000 forms were successfully filled.

LEGAL STUDY TOUR

We, at TRCL, believe that it is equally important for students to undertake industrial visits and legal study tours to get a thorough understanding of functioning of places of legal and academic relevance. Hence, we plan legal study tours for our students from time to time.

Legal Study Tour was organized by Thakur Ramnarayan College of Law on 8 February 2020 to the Yervada Central Jail, Pune. A total of 45 students were

accompanied by faculty and non-teaching staff for this legal study tour. The students had an enlightening and enriching on-field experience by visiting one of the largest and well-fortified jails in the country. The objective of this legal study tour was to facilitate our students with an opportunity to visit a correctional facility and dispel any myths they have with respect to the same.
