## Report

### **15 Days Door to Door Campaign (Legal Aid Program) & National Youth Day Celebration**

On 11th November, 2019 inauguration of 15 days door to door campaign was held at seminar hall. students of Thakur Ramnarayan College of Law pulled up their sock and set out for surveying the residents of not so privileged regions of the city under the guidance and with the assistance of the Para Legal Training program in association with Global Care Foundation under District Legal Services Authority.

The survey included the basic details of the people and some not so intricate details in relevance to their society such as the documents possessed by the members of the house, if any person of the family is involved in a legal matter and other such questions. The students also interacted with the families making them comfortable to share some private problems, too.

It was quite an amazing opportunity to the students as they received a good exposure to the practical world and got to learn how to interact with the people of the society.

There were around 80 plus students who volunteered for the same.

Around more than 7000 forms of survey were successfully filled.

The certificates of appreciation were handed over to all the students on the National Youth Day celebrated on 13th January 2020 by some prestige guest of honors.

So, in all, it was an experience enriching program!
