## **Quality Initiatives: Action Taken Report A.Y. 2022-2023**

The following report outlines the major decisions taken during the meeting on quality initiatives, based on the minutes of the meeting for the A.Y. 2022-2023:

- **Finalization of Academic Calendar:**

The committee discussed and finalized the academic calendar for the upcoming semester. The calendar includes important dates such as the start and end of classes, examination schedules, holidays, and other academic events. Timely communication of the academic calendar to both students and faculty will ensure effective planning and execution for the semester.

- **Committee Formation:**

Committee formation for the next semester was carried out, taking into consideration the interests and expertise of the faculty members. The objective was to ensure that committees are well-equipped to address specific academic and administrative needs effectively. The requirements of the college were also considered to ensure a balanced distribution of responsibilities among faculty members.

- **ISO Audit Process:**

A timeline was established to complete the necessary tasks for the ISO audit. The aim is to enhance the quality management system of the college as per the requirements of ISO certification.

- **Student Feedback Analysis:**

The feedback provided by students was reviewed and analyzed thoroughly. The committee noted that the majority of the feedback received from students was positive. The constructive feedback and suggestions from students will be used to drive continuous improvement initiatives and enhance the overall student experience.

- **Improving Teaching-Learning Process:**

The meeting emphasized the importance of teachers identifying the learning levels of students and implementing appropriate measures to improve their performance. Strengthening the teaching-learning process is a key aspect of maintaining educational quality and ensuring better academic outcomes for students.

- **Review of Previous Year's Activities:**

All activities from the previous academic year, including academic, co-curricular, and extracurricular events, were discussed. The purpose of this review was to evaluate the success of these activities and identify areas for improvement. Lessons learned from the past year's activities will be used to enhance planning and execution for the upcoming academic year.

- **Submission of SSR:**

A decision was made to submit the Self Study Report (SSR) in the next academic year. The SSR is a crucial document for accreditation and quality assessment. Preparations for compiling and submitting the SSR will be initiated to ensure timely completion.

- **Conducting Conferences, Workshops, Seminars, Guest Lectures:**

Several events such as conferences, workshops, seminars, and guest lectures were planned for the academic year 2023-24. These events aim to promote knowledge sharing, academic enrichment, and professional development for both faculty members and students.

- **Result Analysis and Review:**

Heads of Departments (HoDs) were informed to conduct a result analysis of their respective departments. The analysis will be submitted to the Internal Quality Assurance Cell (IQAC) for compilation and evaluation. The purpose is to review the teaching-learning process and identify areas that require improvement.
